PURE COPPER COILS
Put & Charging as You Want
Our engineer adopts the amazing wireless charging technology which includes a pure copper coil. We treated it with bold reinforcement, strongly expanding the scope of the recharge. Coil possesses the function of stable *firing, intelligent temperature controlling, magnetic isolation* protecting which means your phone can be stubbornly charged in a high speed with 360 degrees rotation.

INTELLIGENT CHIP
APO(Automatic Power Off)
Security is an important factor that each smart charger needs to be considered. When your mobile phone leaves the charger after 30 seconds, it will automatically power off and suddenly shut down which effectively prevents overcharge, over discharge, security problems such as short circuit and *excess temperature, providing with certified safety.*

SMART AND SAFE
Anti-Overcharge, no radiation
Fast charge to charge your device to 90% battery capacity, then switch to trickle charging. Fully protect the battery and prevent over-charging, overheat, short circuit and extend the service life of your phone. Do a truly security!

BEST TRAVEL CHOICE
Security certification. Special use for travel.
Light weight, compact and a necessary for business trip or travel.
Please note: The Civil Aviation Authority provides that the aircraft rated battery power value ≤ 100WH. This wireless power bank meets the require ments of *Civil Aviation Authority. The specific use of the situation can* consult the local Civil Aviation Authority.

EXECUTIVE PENS COLLECTION

NSU7114A - Cerruti Ballpoint Pen Hamilton (black)

The Cerruti "Hamilton" ballpoint pen is a true classic, with a luxurious touch.
The cap is wrapped in a very high quality black grained leather. The leather has a matte finishing, which gives it a very modern look . the pen's body and trims are plated in crisp, classic chrome color , for a modern look , to be offered on its own or matched with any of the "Hamilton" black items in the collection.

NSH4844 - Cerruti Ballpoint Pen Conquest Blue

The classic and well-balanced "Conquest Blue" introduces itself as a pure, chrome-plated version of the CERRUTI 1881 design icon. Precious and elegant chrome-coated details underline the sleek and moderate design, which appears with timeless elegance.

Cross Calais Blue

Chrome Ball Pen – sleek art-deco inspired lines create a flowing feature of the cross calasi Ballpoint Pen. A striking two-tone effect barrel of blue lacquer and lustrone chrome create a bold look which complements the simplistic styling. Lightweight and durable, with twist mechanism, the Calais is modern classic.

IM Rollerball

Instantly noticed ,jotter stands as an authenic design icon of the last 60 years .
With covetable colours and a distinctive shape .
Jotter remains parker most popular pen , recognizable down to its signature click.

IM Ballpoint

Parker IM ,highly professional and reliable .
An ideal partner with unlimited potential,
With a durable stainless steel nib and finishes that echo the parker legacy, every detail is refined to deliver a writing experience that is always dependable.

Jotter

Parker IM modern design offers timelrless finishes successfully combining classic and contemporary styles .
The finest grade of lustrous lacquer and chrome , and a highly engineered manufacturing process , ensure the parker quality known worldwide.
